Commissioner for Patents

The information disclosure statement filed 9/2/2005 fails to comply with 37 CFR 1.97(d) because it lacks the fee set forth in 37 CFR 1.17(p). It has been placed in the application file, but the information referred to therein has not been considered.

It is noted that a newly cited document which is indicated by an asterisk (\*) by the applicant to Nystrom et al (US 6,526,091) had been considered by the examiner on 8-10-2005, and the signed copy of IDS was attached to the notice of allowance.

However, it is noted that the foreign patent document indicated by an asterisk, WO 9912295, is a newly cited foreign patent document.
